Section 1: Accessing the Grants Portal

All applications for funding must be submitted through the Grants Portal. Any applications that are submitted via email or through the post will not be accepted for funding.

In order to submit your application, you must [log in to our new Grants Portal](#).

Logging in

If you have applied to Community Foundation Ireland for funding in the past on behalf of your current organisation, you may already be in our system. You will be invited to 'Forget your Password' and then log in with your new details.

When you log in, you will be able to see all of the previous applications submitted by your organisation and opportunities to apply for funding.

Registering for the first time

If you have never applied for funding before, or you have recently joined your organisation, you may need to register an account to access your Grantee Portal. Click 'Register Here' to go through the registration process.

When you register, you will be asked to search for your organisation. You can use the organisation's name, Charity Number or Company Number to see if it is already on our system.

*** Organisation Name**

Test

Organization Name: Test Friendly

CRO: 0

RCN: 0

If your organisation already exists, you can submit your contact details. Once your account is approved, you can log in and access the opportunities to apply for funding.

If you don't see your organisation listed, you will need to add a new organisation and fill in the basic information.

i Instructions

Please enter your Organisation Name, CRO or RCN in the field below to search for your organization in our database. If you have previously mentioned, our database will suggest a match and then click on the name.

If you can't find your organisation, please [click here to add a new organisation](#).

Submitting your governance information and documentation

Before applying for funding, you will need to update your User Profile and Organisations' Profile. If we do not have up-to-date information for your User and Organisation Profile, this will impact your ability to receive funding from the Foundation.

MANAGE PROFILE

Please note you will not be eligible to receive grants until your organisation's profile is complete.

 Update my user profile

 Update my organisation's profile

Please note, there are a number of Tabs to complete information about your User and your Organisation. Please make sure you have answered all of the required questions on each of the Tabs.

It will look like this:

ORGANISATION BASIC INFORMATION

PURPOSE AND IMPACT

GOVERNANCE

Via the 'Governance' tab, each organisation will be required to submit Governance Documents. These include:

- A governing document such as a constitution or memorandum and articles of association.
- Proof of identity of two trustees or committee members. This might include a passport, driver's license or PPS card. For one of these trustees, we also need a proof of address.
- Financial accounts or Income & Expenditure for the most recent financial year, signed by two trustees. For organisations with an annual income of €100,000 or more, accounts must be audited and signed also by the auditors.
- Financial accounts or Income & Expenditure for the previous financial year. If you have submitted your 2022 accounts above, please submit your 2021 accounts here.
- Bank statement header that includes your organisation's name, BIC and IBAN. We do not need to see any of the transactions.
- Certificate of Incorporation, if your organisation is constituted as a company.
- Tax Clearance Certificate. This is available to all relevant organisations via your account on revenue.ie

Please make sure you have these documents ready and submitted before you apply for funding. Missing or incorrect documentation will impact your ability to receive funding.

Remember to click 'Submit' once all the information is uploaded.

Keep in mind that your organisation's registration may take 24 hours to be approved, so please ensure that you give yourself enough time to register and fill out the application form.

Section 2: Applying via the Grants Portal

Once you have submitted your organisation's information and governance documents, you can start your application to the grant round. On the Grants Portal homepage, you will see the Funding Opportunities available to you.

You will see a full list of the grant rounds that you can apply to. Click on the relevant grant round to read the criteria and apply for funding. Please ensure you have read the criteria document before applying to the grant round.

Click Apply Now to access the application form.

Navigating the application form

There are a number of different sections to the application form, please remember to click through all of the tabs before submitting your application. You can also click 'Next' at the bottom right-hand side of the screen.

Project Summary: This is where you will input the basic information about the project such as main contact details associated with the proposal, and the project demographics, issues and location. These pieces of information help us to measure our impact so please choose the options from the drop-down lists that suit your project the most.

Project Detail: This is where the main questions about your project are listed, such as the need for the project, the activities that will take place, and the impact of the project. We have outlined below some tips, tricks and advice for completing the application form. So make sure you read through this as you prepare your answers.

Project Budget: You can add in the information about your project budget in this tab. We also ask questions about the financial capacity and capabilities of your organisation to manage the funds if you are successful in your application. This is your opportunity to show us that you have policies, procedures and experience to manage the funds and the project.

Final Confirmation: Provide your consent here for us to contact you in relation to opportunities with our donors. Your answers here do not impact your likelihood of receiving funding. And finally, upload any documents that are requested of you for this application. Unless you have the correct documents, you won't be able to receive funding.

Documentation Upload: Some documents are also required for this fund. The last part of the application form gives you an option to upload them; we are listing them here to help you prepare. If you do not submit the correct documentation with your application, this may impact your ability to receive funding.

Document required	When required:
Bank Statement Header	This is only required if the funding will go to a <u>different</u> bank account than the one that is already on file.
Engineers Report	This is only required if you have applied for funding for a capital project over €20,000.
Quantity Surveyors Report	This is only required if you have applied for funding for a capital project over €20,000.
Quotes	This is only required if you have applied for funding for a capital project over €20,000.

Tax Clearance Certificate	This is required if you are applying for funding of more than €30,000.
