

Derrysallagh Community Fund 2024:

Energia Empowers Local: Igniting Community Growth Through Sustainable Partnerships.

About Community Foundation Ireland

Community Foundation Ireland and its partners believe in equality for all in thriving communities. We work with individuals, families, corporates and other trusts and foundations as well as Government to translate giving in the moment to giving that is strategic, sustainable and impactful. We use our skills and knowledge developed over 23-years to help donors turn aspirations into effective investments.

Community Foundation Ireland, its network of 5,000 partner organisations and donors share a mission of equality for all in thriving communities. The Foundation works with partners to achieve solutions for both long-standing and emerging challenges. The work is built upon four pillars: Empowering Generations, Sustainable Futures, Inclusive Communities and Accelerating Change.

As a philanthropic hub we offer support, expertise and insights allowing us to deliver for communities and organisations across Ireland.

Through our many partnerships we are working towards an Ireland where barriers are broken down and communities are empowered to thrive. Working with you, other non-profits and donors we are committed to making this vision a reality.

Fund Overview

The Energia Derrysallagh Fund is a community grant that supports non-profit, community, voluntary and not-for-profit organisations based within a certain proximity to the Derrysallagh Wind Farm.

The fund is now entering its seventh year, with its primary focus on the communities neighbouring the Derrysallagh Wind Farm.

Proposed projects should be focused on environmental initiatives that contribute to:

- climate action,
- biodiversity and local environment enhancement,
- community engagement

and directly contribute to overall community wellbeing.

Aim:

The fund aims to back various community projects such as training programs, social enterprise development, and community events in the areas surrounding the Derrysallagh Wind Farm. Requesting projects with particular emphasis on initiatives that enhance the environment, promote climate action, and encourage biodiversity, community wellbeing and engagement.

Eligibility Criteria:

- The grant is open to non-profit organisations.
- Applicants must be located within the immediate vicinity or up to 14km away from the Derrysallagh Wind Farm.
- Priority is given to organisations within a 10km radius of the wind farm.
- Organisations should have access to an organisational bank account.
- Applicants should possess charitable aims.
- Applicants should possess charitable aims and have a written constitution outlining these objectives.
- The grant is only open to organisations that are not-for-profit.

Residency Requirements:

Eligibility is determined by the organisation's geographical location. They must be within a 14km radius from the Derrysallagh wind farm, with those within a 10km radius given preference.

Priority Areas:

- Eligibility depends on the organisation's geographical proximity to the Derrysallagh wind farm.
- Priority given to those within a 10km radius.
- Initiatives focusing on environmental enhancement, climate action, biodiversity.
- Projects aiming at community engagement and overall wellbeing.

Funding Details:

- Organisations can apply for a maximum of €6,000.
- Grants will be paid via bank transfer directly to the applicant organisation.
